Counseling Guidance

11th-12th grade students may process their CollegeBoard SAT exam registrations through Mr. Gandy (Room #1403). It's important to note that students attending CDIS or other international schools are not permitted to register online. The deadline for the CDIS mailing of registration materials is September 8. Specific details will be shared during the student homeroom periods.

Don't delay, registration for the Birkman Method strengths and interests inventory is available for all 12th grade students. The report has proven valuable for 12th graders in the past and provides a clear, reliable insight into an individual's job fit, organizational strengths, general strengths, and compares them within job categories. In the corporate world the Birkman report can cost as much as \$500 but through a joint effort between Birkman and CDIS we are able to offer it to CDIS students for 240 rmb. Register in the school counseling office, room #1403.

The mailing deadline for the ACT (American College Testing) registration is September 8. The ACT measures achievement (what a student has learned in school), is accepted by all US colleges and universities, and has up to 5 components: English, Mathematics, Reading, Science, and an optional Writing Test. The SAT is more of an aptitude test, testing reasoning and verbal abilities. Generally, students in the international setting tend to score in the higher percentiles on the ACT when compared to SAT results.

From Mr. Matt Perdue

Model United Nations Class will be hosting a bake sale every Tuesday during lunch. Students are encouraged to bring money to purchase desserts during this time. All proceeds benefit the MUN team's trips to Singapore and Qingdao.

Medical Office

A student Medical Examination (SME) is required for all new students and those entering the 5th & 9th grades. Students who submitted forms last year for new enrollment but are entering 5th & 9th grade this year should submit newly completed forms. This exam is part for our continuing effort to assure all our students' needs are appropriately anticipated and met. A copy of your child's immunizations must be submitted. TB screening must be submitted in the form of either a skin test or chest x-ray. If there are concerns further clarification, please attach a note or e-mail to the school nurse, Mary Kim <mkim@cdischina.com>.
